## **Mishka to Tour The Rockies & Pacific North West with Hawaiian Reggae Group Pepper.**

*The tour includes a string of nine dates from Colorado to Oregon in October and November.*

### **WHO/WHAT:**

Following closely on the heels of an eleven date, headlining run with O'Neill's Cold Water Classic Surf Tour, Mishka is joining Hawaiian reggae group Pepper on a string of nine dates from Colorado to Oregon.

Mishka describes his latest record, *Talk About*, released on March 30 this year on j.k. livin Records, as an album of movement, "of stepping outside the box of traditional folk-reggae and adding a real mainstream rock influence."

The album's thirteen tracks span a distinct ebb-and-flow, from the fast paced and up-beat first half to a more mellow and introspective second half. "In the days of the LP, this would definitely be an A-side/B-side type record," says Mishka.

Pepper, originally from Kailua-Kona, Hawaii, have found mainstream success blending reggae, dancehall, hip-hop, and pop genres and are touring to support their recent release, *Stitches*. Mishka describes the relationship between himself and Pepper as "a musical kinship"; and Pepper recently pre-released a cover of Mishka's "Lonely" from his first, self-titled album.

*Talk About* debuted at #1 on the iTunes Reggae Chart in the US and broke the top ten in Portugal, Germany, and Spain. Mishka's 2009 release, *Above the Bones*, debuted at #1 on the Billboard Reggae Charts in February last year and Mishka was later named 2009's Best New Artist by iTunes in the Singer/Songwriter category.
